V. Schuster

Team Partner

Michael really kept the team together with his great organization and clear communication. We wouldn't have got this far without his commitment.

E.Eichinger

Team Partner

Michi was a top team colleague at DA. His positive commitment and willingness to take on responsibility made a significant contribution to us achieving our goals.

I.Nuber

Frontend Engineer

It was a great pleasure to work with Michael. He knows how to push and encourage team members to present the best work possible, always adding something to brainstorm. Regarding the well-being of group members, he was always present and available to listen and help others, with a great sense of humor as well.
